

Great Outdoors

4-H Project Newsletter

This Project Newsletter contains references to County Shows/Exhibitions and 4-H Nova Scotia Provincial Show.

- *Please be advised that the occurrence of County Shows/Exhibitions will be decided by local organizers and 4-H Nova Scotia cannot guarantee this opportunity for members in 2021.*
- *Nova Scotia Provincial 4-H Show will not be held in 2021. 4-H Nova Scotia has planned a unique year-end celebration which will provide opportunity for all members to participate in fun activities and challenges.*

This Great Outdoors Project Newsletter contains information specific to the Great Outdoors Project. Please use it in conjunction with the General 4-H Information Bulletin, so that you are aware of Achievement Day completion requirements as well as general opportunities and information pertaining to all 4-H members. This Project Newsletter, as well as the General 4-H Information Bulletin, will be updated in December of each year, if necessary, based on changes made at the 4-H Nova Scotia Annual General Meeting.

Welcome to the 4-H Great Outdoors Project! This newsletter will give you an overview of The Great Outdoors project, answer some of your questions concerning expectations of the project, and provide you with project ideas and some resources. Project newsletters are an excellent reference to keep on hand to refer to throughout the year. Enjoy your year in The Great Outdoors project and when working on your project, remember to "Learn to do by Doing." If you have any questions, please contact your Regional Program Coordinator (RPC).

Great Outdoors Project Work Requirements

On Achievement Day, Great Outdoors members will be required to display three (3) projects, taking a maximum of two from any one Great Outdoors Leaders' Manual units and having a maximum of two entries in any one section of the outdoors class at an exhibition or 4-H show. Please note, all FIRST-YEAR members must complete a survival kit as one of their three required projects. Each section shows examples of items that can be included. Members are not limited to these suggestions.

4-H CLASS LIST & SECTIONS:

CLASS 9: THE GREAT OUTDOORS

SECTION 1:	Reports - Write ups on hikes, animals, birds, camping trips, etc.
SECTION 2:	Posters - Photo stories, information on plants or animals, etc.
SECTION 3:	Specialty Item - Anything that will not fit in other sections
SECTION 4:	Utility Item - Walking sticks, bat/bird houses, etc.
SECTION 5:	Display - Posters which include additional items or any display
SECTION 6:	Collections - Leaves, plaster tracks, twigs, seeds, rocks, insects, etc.
SECTION 7:	Survival Kits - A Collection of items you have prepared to survive in the wilderness (Only First-year members may exhibit a survival kit)

Suggestion: Reports should be a minimum of 1 page in length (approx. 250 words) and should include diagrams and/or photos where possible.

LEADER RESOURCES

Please ask your Regional Program Coordinator (RPC) for the Great Outdoors Project Leader's Manual, which includes information on the following:

Great Outdoors Leaders' Manual Units:

UNIT 1:	Finding Your Way – Orienteering
UNIT 2:	Lost in the Woods – Survival
UNIT 3:	Wildlife and Forest Ecology
UNIT 4:	Nature Detective-Id. of Trees, Plants & Rocks
UNIT 5:	Camping
UNIT 6:	A Walk on the Wild Side
UNIT 7:	Our Feathered Friends
UNIT 8:	Other Seasonal Activities
UNIT 9:	Resource Based Industries
UNIT 10:	GPS – for navigation and positioning

NOTE: All reports, posters or displays must include a bibliography for information taken from a source other than the 4-H member. For example, should a member utilize information or pictures from a reference book or from the internet, then the member must include credit for the source of the information.

NOTE: 4-H members must complete their project at achievement day in order to compete in, or to participate in, any further county, provincial, or national 4-H competitions relating to that project in the current 4-H year. (i.e., judging, project competitions, etc.)

NOTE: Live animals are not to be used for display at 4-H achievement days or exhibition in The Great Outdoors project. Reports, displays, posters or demonstrations are acceptable methods of displaying projects about live animals.

NOTE: If members require video/slide equipment to display their project, specialty item or project activity, they must provide their own equipment at achievement day, exhibition and county shows.

NOTE: As of the 4-H NS AGM 2018 survival kits are now only accepted as one of a member's first-year projects, members in subsequent years may not exhibit survival kits.

SURVIVAL KITS:

For First year members only, the survival kit should be small and light weight containing the following recommended items: space blanket, waterproof matches, whistle, knife, water sterilizing tablets, compass with mirror, string, large plastic bag, 3 meters trail tape, snack bars, bandages, sling (brightly coloured scarf), sterile absorbent pads.

Last Revised: March 2021

It is also recommended that first year project members learn currently accepted survival tactics before they go on hikes.

Great Outdoors project members are asked to include a list of items in their kit. Survival kits must include a list of its contents.

Other useful items to consider for your Survival Kit (Recommended Items, not limited to):

Candle	Multi-tool or Swiss Army style knife
Coil of light weight rope	Needle and thread
Large garbage bags (preferably orange)	Rabbit snare wire
Cookware	Safety pins
LED flashlight	Sharp knife
Compass	Signal mirror
Lighter	Space blanket or poly-tarp
First aid kit	Solar or space blanket
Magnesium fire starter	Water purification pills
Fishing tackle	Whistle
Metal cup	Ziploc bag
Food (pkg. of soup, hard candy, bouillon cubes, chocolate, granola bars)	

ORIENTEERING COMPETITION –

Clubs and counties may host an orienteering competition following provincial COVID-19 protocols at the time the event is held. Open to all members enrolled in the Great Outdoors project. Members are tasked with completing an orienteering course, while answering short questions along the route.

Metric measurements should be used in competition.

1. Junior and Senior competitions will be held at separate times.
2. Members must provide their own compass and notebook.
3. The senior competition will include a map with the magnetic declination provided.
4. Members will leave a designated area one at a time. Each member will be given a score card to complete on course.
5. When finished, the member's scorecard will be checked, and a score given. The Highest score wins.
6. A maximum time limit for the competition will be announced at the beginning of the competition depending upon the determined course. Exceeding the maximum time limit will result in disqualification.
