Building Blocks

Virtual Guide

Activity Ideas

Activity #1:

Create a marble track with building blocks. Use different blocks to create a marble maze and guide the marble through the maze, can make easy or super hard!

Activity #2:

Create a challenge/topic and give members a set time to complete (ie. 50 minutes). They can then share their creation using a photos or Zoom meetings.

Activity #3:

Play building blocks charades. Create cards that have objects on them then put them all into a hat. Each person draws a card and they have to recreate what's on the card out of building blocks. Other players guess what they're trying to create.

Activity #4:

Do a 30-day building blocks challenge. Create a challenge where members build something different for 30 days.

Activity #5:

Have members create a time lapse video of them making their piece.

Guest Speaker Ideas

- Building blocks leader from another region or club
- Stop Motion Animator
- Build-A-Block – Sackville, NS
- Bricks 4 Kids
- Engineer
- Atlantic Film Festival
