Guest Speaker Ideas

- Someone from your local craft store
- Baker/Cake Decorator
- Local Photographer
- Artisan
- Local Fashion Designer

Activity Ideas

Activity #1: Craft Kits

Create craft kits and send them to members to do on their own or have them all do it together over zoom. Then they can take a photo and share the result on the club Facebook group.

Activity #2: Cake Off

Have a cake off. Give members one hour to create a cake based on a specific theme, like cake wars on TV. Cakes can be premade, and the members must ice and decorate in a timed environment.

Activity #3: Capture the Theme

Choose a theme and get members to go outside with their cameras and take pictures in nature. Get them to create a frame beforehand and take pictures through the frame.

Activity #4: Scrapbook

Choose a specific event and get members to create a page for their scrapbook around the event or to create an invitation to the event. Example: birthday party, baby shower, gala, school concert etc.

Activity #5: Sew Your Stash

Have a sew your stash challenge. Challenge members to sew and create something out of only the fabrics they already have.

Activity #6: Online Fashion Show

Have an online fashion show for members to show off what pieces of clothing they have sewn.
