# Rabbit & Cavy

## Virtual Guide

## Activity Ideas

### Activity #1: Parts of the animal

Plan a virtual meeting to go over parts of the animal and have members label using a worksheet or by pointing to the diagram.

### Activity #2: Animal Breeds

Teach members about the different breed characteristics, history of the breed and differences in the breeds. Have members choose a breed and present the ideal characteristics or create a game like jeopardy for members to name the photo of the breed.

### Activity #3: Virtual Tour

Take a virtual tour of a rabbitry/caviary.

### Activity #4: Virtual Showmanship Class

Plan a virtual showmanship class and have members come together with their rabbit/cavy and practice their showmanship skills.

## Guest Speaker Ideas

- Rabbit/Cavy breeder
- Project leader from another club
- Veterinarian
- Nutritionist
