Virtual Guide

Activity Ideas

Activity #1: Virtual Tour

Take a virtual tour of a sheep farm. Get the farmer to show the members around the farm or a virtual tour of a wool processing plant. See how wool is processed after it is sheered off the sheep.

Activity #2: By-products

Get members to research what comes from sheep. How do we use it in everyday life? Get them to create something with wool. Felting is a fun activity to do with pieces of dyed wool.

Activity #3: Cooking with Lamb

Find a fun recipe for members to gather the supplies for and have a virtual cooking class on how to use lamb in a recipe.

Activity #4: Create Products

Create products from sheep's milk like cheese, milk, yogurt, soap or ice cream.

Guest Speaker Ideas

- Farmer
- Vet
- Sheep Breeder
- Livestock Judge
- Wool Processor
